Dear Mr. Chairman:

Our firm is appropriately proud to represent HTB, Inc. which we think is the premier architectural/engineering/planning firm in the nation.

In these days when I hope government is ever-expanding your activities it occurs to me you also may be expanding your facilities. If that is the case, I will welcome an opportunity to put HTB's qualifications in the hands of the proper Agency personnel if your office will advise me who they may be.

With every good wish, as always.

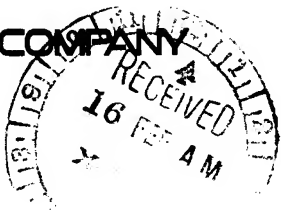

Cordially,
